

National Wild Turkey Federation (NWTF) Banquet Emerald Coast Chapter

Location: North Light Yacht Club – Niceville Florida

March 29th 2012

Doors open: 6 :00pm

Dinner: 7:00 pm

As an active committee member of the National Wild Turkey Federation I would like to interest you in our banquet that we will be hosting on March 29th, 2012 in Niceville Florida. The sole purpose to bringing folks together is to spark an interest in the experience and possibilities of turkey hunting and to get kids involved so the youth of today can carry on the traditions. It is a way for us to get people together for a great dinner and drinks where there will be raffles, auctions, games, and other chances to obtain great merchandise. The NWTF is a total Non-Profit organization where all ticket sales, donations and proceeds go towards awareness and education of our community. We care about the community and are always looking to refresh the interest in current and future members.
